Collection of Levy in Coondapur Taluk

690. **Smt. WINNIFRED F. FERNANDES** (Coondapur).—

Will the Minister of State for Food and Civil Supplies be pleased to state :—

(*a*) whether Government is aware that Loans are obtained against security of large quantities of paddy by Landlords, from Co-operative Banks and Societies in Coondapur Taluk, without filing declarations, as required under the relevant rules ;

(*b*) if not, whether Government would make enquiries in the matter and take such action as is proper, such as to collect Levy Paddy from the persons, who hold stocks over and above the allowed limit ?

Smt. E. E. VAZ (Minister of State for Food and Civil Supplies).—

(*a*) No

(*b*) (i) Levy is collected from the growers as per the scales prescribed under the Levy Orders ;

(ii) Instructions for the enforcement of the provisions of the Mysore Foodgrains (Declaration of Stocks) Order, 1967 have already been issued to all the concerned authorities ;

(iii) Collection of levy over and above the scales prescribed under the existing levy orders is not legally persimble.

Smt. WINNIFRED F. FERNANDES.—For my question (*a*) the reply is 'No'. Does it mean that the Government have made enquiries with the Co.operative societies and Banks for giving loans ?

† **Smt. E.E. VAZ.**—We got this report after making enquires only.

Smt. WINNIFRED F. FERNANDES.—What are the instructions issued to the authorities to enforce the provisions of the Mysore Foodgrains Order 1967 ?

Smt. E. E. VAZ.- According to the Mysore Foodgrains (Declaration of Stocks) Order, 1967, every person who is in possession or control of 30 quintals or more of paddy or 25 quintals or more of rice or such quantity of paddy and rice, the aggregete of which comes to 25 quintals or more has to declare the stock to the local authorities.

Smt. WINNIFRED F. FERNANDES.—What is the target fixed for collection of levy paddy for the year 1972-73 in South Kanara District ?

Smt. E. E. VAZ.—The target fixed for South Canara is 3,500 tonnes ; but so far the procurement of paddy is of the order of 2,883 tonnes and for Coondapur Taluk in particular, the target fixed was 9,000 tonnes against which 4,329.22 quintals of paddy has been procured.

Smt. WINNIFRED F. FERNANDES.—Is it not a fact the Co-operative Banks and the Co-operative Societies are duping the Government by taking this paddy whichis not accounted for and what is the action you are going to take against these persons ?

Smt. E. E. VAZ.—It cannot be admitted that they are taking paddy which is not accounted for because every grower has to declare the stock if he has more than 40 quintals of paddy. If it is not declared, then whatever stock he has, will be confiscated by the Government.

Mr. DEPUTY SPEAKER.—Since Sri Byrappaji desires to put supplimentaries I put question No. 662.
